Department of Zoology of Govt College Solan concluded the celebration of Big Butterfly Month September by organising an awareness program on 25.09.2024. Principal Dr Ritta Sharma acted as chief guest in the event.

Butterflies play vital role in pollination which is a process essential for production of food. To mark Big Butterfly Month, various activities and events were organized throughout the month and to attract students towards the world of butterflies. These activities included butterfly watching and counting, butterfly identification, butterfly photography and videography as well as power point presentations to spread awareness about about the role butterflies play in human life and vice versa.

In Video making competition Palak won first prize, Swarit second, and Manish third. 1st, Second, and 3rd Positions for photography competition were grabbed by Swarit, Priti and Neha respectively. Sakshi and Ranjana won the consolation prizes.

The Principal appreciated the unique ways of out-of -classroom learning by the teacher and students of zoology department and encouraged to keep sharing such knowlege with everyone.
