Field visit by Department of Education GC Solan

On 20th March 2025, a group of 28 students of BA 3rd Year Department of Education , GC Solan accompanied by Dr. Nisha Manta, Prof. Kanu Priya and Dr. Priti Pal, visited the Indian Association of Muscular Dystrophy (IAMD), Kothon (Solan).

The primary objective of the visit was to provide students with practical insights into the challenges faced by individuals living with muscular dystrophy and to understand the support systems available for their rehabilitation. Through this visit, students had the opportunity to interact with affected individuals, observe rehabilitation therapies, and learn about the medical and emotional support provided to them.

Additionally, the visit aimed at fostering empathy and a spirit of social service among students by making them aware of the struggles faced by people with muscular dystrophy. The experience helped students develop a deeper understanding of the importance of inclusivity, rehabilitation, and community support in improving the quality of life for individuals with special needs.

This educational visit proved to be an enriching experience, reinforcing the significance of social responsibility and inspiring students to contribute positively to society.

विद्यार्थियों ने किया मस्कुलर डिस्ट्रॉफी कोठों सेंटर का भ्रमण

सोलन। बीए तृतीय वर्ष शिक्षा संकाय के 28 छात्रों ने इंडियन एसोसिएशन ऑफ मस्कुलर डिस्ट्रॉफी कोठों (सोलन) का शैक्षणिक भ्रमण किया।

इस भ्रमण का मुख्य उद्देश्य छात्रों को मस्कुलर डिस्ट्रॉफी से ग्रस्त व्यक्तियों को आ रही चुनौतियों एवं उनके पुनर्वास के लिए उपलब्ध सहायता सेवाओं की व्यावहारिक जानकारी प्रदान करना रहा। इस शैक्षणिक भ्रमण के दौरान प्रो. कनुप्रिया, डॉ. निशा और डॉ. प्रीति विशेष रूप से मौजूद रहे। इस दौरे के दौरान छात्रों ने संस्थान में रहने वाले व्यक्तियों से संवाद किया और उनके दैनिक जीवन की कठिनाइयों को समझा।

संस्थान के विशेषज्ञों ने छात्रों को मस्कुलर डिस्ट्रॉफी, इसके लक्षण, प्रभाव और रोगियों को आत्मनिर्भर बनाने के लिए दी जा रही चिकित्सा एवं पुनर्वास सेवाओं की जानकारी दी। शैक्षणिक यात्रा का उद्देश्य न केवल छात्रों को व्यावहारिक ज्ञान प्रदान करना था, बल्कि उनमें समाज सेवा की भावना विकसित करना और दिव्यांगजनों के प्रति सहानुभूति व संवेदनशीलता बढ़ाना भी था।

छात्रों ने इस अनुभव को अत्यंत प्रेरणादायक बताते हुए कहा कि इस यात्रा से उन्हें सामाजिक उत्तरदायित्व और सेवा भाव की सीख मिली। संवाद
