ENVIRONMENT POLICY

In order to work in environment friendly manner, Govt College Solan aims to focus on Reduce, Reuse and Recycle the waste as far as possible. For this the green audit committee advocates the implementation of following measures to be taken inside the college campus as a part of its environmental policy.

- Proper segregation of solid waste to be done by placing dustbins to different colours for different waste.
- Reduce the amount of paper waste by adopting digital mode for internal working of the college.
- Promoting the use of steel and glass containers and bottles for eatables and water instead of plastic and aluminum foils.
- Spread environmental literacy by celebrating important days of relevance.
- Sensitize students to enhance and protect the green cover of the campus.
- Sensitize students about energy and water conservation.
- Begin digitization push by encouraging e-assignments, e-notices and reduce printing in the departments and office.
- Conducting cleanliness and plantation drives.
