In a short span of time, this NAAC accredited “B”, co-educational institution, affiliated to H.P. University has evolved as a fountain head of learning providing quality education to students of Arki region, which is primarily a rural area. The 15th of July 1994, the day this institute came into existence, will always be remembered as a red letter day by the people of Arki as the college has brought higher education to their doorstep and their wards no more go to cities for the purpose. The moto of the college which means “We taste immortality through knowledge” reflects the vision of the founder members of the college. They envisioned that the future would belong to people believing in meritocracy and not mediocrity, and in keeping with their dream the students now realise with all earnestness that ‘quality’ and not ‘quantity’ is the catch word in the 21st century. The excellent university results year after year and the Alumni who are making their presence felt in all walks of life prove that the students walk in the footprints of their predecessors who gained ‘immortality’ exploring the vast horizons of knowledge.

Govt. College, Solan was established on 19th August 1959 and is situated in 47 Bighas of land to cater to the needs of higher education of Solan district and the surrounding areas in the state of Himachal Pradesh. Various categories of courses like horticulture and mushroom cultivation, etc. are a part of the regular curriculum in biological sciences, which also serve this end. The College further strives to mould the students hailing mostly from the marginalized and weaker sections of the society into better individuals and to guide them to contribute

constructively towards the society. The academic and other student oriented programmes of the college eventually aim at ensuring that the students coming out of our campus should be enlightened individuals who are emotionally sound and practically efficient.
